RÝMAŘOV

The Grammar School and Secondary Vocational School Rýmařov is an educational institution that provides all types of secondary education.

The school offers eight-year and four-year grammar school, as well as secondary vocational education with a school-leaving examination in the field of “Sports and Recreational Masseuse”.

In addition, it provides vocational education for cooks, waiters, and agricultural machinery repairers.

- Our students are from 12 to 19 years old.
- The school is equipped with modern teaching aids and has an experienced pedagogical team.
- In addition, the school offers accommodation for students, has a gym and a relaxation room. Students also have the opportunity to eat in the school canteen.

- We also have a strong partnership with Gymnasium Krompachy in Slovakia.
- Our school is dedicated to fostering a culture of environmental stewardship. We encourage waste reduction, recycling, and sustainable living through various initiatives and educational programs.
- We believe in a well-rounded education, which includes cultural enrichment. Our students have opportunities to attend local theater performances and support our community's cultural institutions. Our annual trip to Prague provides a unique cultural and historical experience for our senior students.
